Dever III, U.S. District Judge, on May 26, 2020, to the custody of the Bureau of Prisons for a term of 41 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 36 months.

Tishawn Jermaine Edwards was released from custody on January 14, 2022, at which time the term of supervised release commenced.

On July 5, 2022, a violation report was submitted to the court reporting drug use of cocaine. It was recommended no court action be taken and he be referred to a substance abuse assessment, the court agreed.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

The defendant attended a substance abuse assessment with Straight Walk Family Service. Following his assessment, it was determined that he could benefit from mental health treatment from a licensed professional. The defendant and probation officer both agree with this recommendation and believe that this additional treatment will assist him coping with life stressors.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

**PRAYING THAT THE COURT WILL ORDER** that supervised release be modified as follows:

1. The defendant shall participate in a program of mental health treatment, as directed by the probation office.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing
